*Mirkwood Designs Presents...*

Envelope Templates
for 1~Inch and 2~Inch Cards

1. Make sure the gray square at right measures one inch (this ensures that the templates are the right size).
2. Print this page onto heavy card stock and trace envelope templates onto paper (or print directly onto paper).
3. Cut on solid lines.
4. Decorate as desired.
5. Fold side flaps on dotted lines.
6. Fold bottom on dotted line.
7. Glue side flaps to bottom.
